EXHIBIT A

Here is a little background of what is happening. Many customers have been purchasing Interpharm's EEMT product through a third party. Interpharm is transitioning these customers to go direct this translates into a tremendous cost savings. . This will be a very easy transition at the pharmacy level.

On top of this very aggressive offer Interpharm will allow a one time 10% buy in on Estrogen and Methyltestosterone .625mg/ 1.25mg and 1.25mg/2.5mg as a bill back on the first purchase order.
